LANDMARK

CONTEMPORARY

"Contemporary" is a gathering of porcelain tile collections for floors and walls that draws inspiration from modern living trends. Different materials allow for expression with renewed personality the soul of architecture interior design with a new mood. The "Landmark Contemporary" porcelain tiles feature different surface look that coexists together with other materials while the space is decorated with the latest trends and metropolitan characteristics.

A new landmark in the ceramic industry

Landmark Ceramics is an American company, based in Tennessee that has set out to research, manufacture and sell top quality porcelain ceramics in North America, taking advantage of the proven experience of the Gruppo Concorde, an international leader in the sector. Technological innovation, market presence, attention to detail, the welfare of people and the environment, efficient service and a thorough product range make Landmark a new benchmark in the North American market for those who are looking for a reliable partner for any building and architecture project using US Made top quality porcelain tiles.

MILESTONE

ARCHITECTURE AND CREATIVITY

Dynamic and creative stone-look porcelain ceramics dictate the style of residential contemporary architectures. The collection features floors and walls with a bold and minimal appeal: veining, color shades and grain effects of different natural stones create a new contemporary interpretation of the material.

new sensations

A strong identity and a bold appeal: Milestone combines the visual power of mixed stones, intense and waved, and the need for comfort and elegance, merging in modern living spaces with a minimal and elegant design.

INFORMATION

RECOMMENDED USE

Milestone is recommended for indoor floors, walls, countertops, and outdoor walls in commercial and residential application. The use of Milestone is not recommended for outdoor application or horizontal exterior surfaces. Landmark recommends an offset no greater than 30%, if a staggered pattern is required for tiles of 20" inches or longer.

CARE AND MAINTENANCE

Do not apply any wax or sealer to the product after installation. Regular cleaning is the best way to keep Milestone tiles looking good. Use clean, hot water (add household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth to prevent water spots. Please visit lcusa.com. For further information regarding the care and maintenance of Landmark products.

WARRANTY

Landmark guarantees that its products will meet or exceed the performance specifications set out in ANSI A137.1- 2012 and in the performance specifications section of the Landmark general catalogue. For more information, please visit our website at lcusa.com.
