

ECOCARAT

Rooted in traditional Japanese mud-wall construction, ECOCARAT comprises a superbly designed selection of interior wall-finishing materials. Infused with a feel of natural material content and coloring daily scenes with magnificent spirit, ECOCARAT can create spaces that extend authentic relaxation, unmatched discernment in taste, and never-before-experienced refreshing imagery. Moreover, installation can help with moisture-regulating performance that can help regulate indoor humidity. Genuine beauty comes alive across the five senses through wise Japanese tradition.
